

mingle board
CATALOGUE - OCTOBER 2019
gemklp.com

“When meetings become effective, minds collide and creativity flourishes. You look for endless space to think, write and be innovative. You need freedom and flexibility to run your thoughts.

Mingle Board provides the canvas to cover your needs, because your ideas deserve it!”

Gemklip.com is a product design house based in Bangalore, India. We design and develop products and services that are Simple, Different and Inspiring. We have a growing portfolio of products and we take great pleasure in introducing to you Mingle Boards - The World's First Bezel-less Magnetic Double Sided Mobile Whiteboards.

Incubated by Teqzo Consulting, a division of Teqzo Retail Products Pvt Ltd that has a legacy of over a decade in providing innovation and design services to manufacturing companies in India and abroad. They are a formidable and influential force in the field of product design in India.
